

# KEV'LAA

ELECTRONIC MUSIC. STORIES YOU CAN DANCE TO.

INDEPENDENT UK ARTIST / MUSIC / VISUALS / CONCEPT WORLDS

## OVERVIEW

Kev'Laa is an independent electronic artist, DJ, songwriter and visual creator from North West England. His concept-led work moves through house, techno, trance, breaks, ambient and rave, pairing club energy with cinematic stories, dry humour and the occasional cat-led detour. AI-assisted tools sit inside a human-led process: Kev'Laa writes, directs, edits and makes the final creative decisions.

## SOUND

Progressive house • melodic techno • trance • deep house • tech-house • breaks • acid • ambient

## IN DEVELOPMENT

THE KRAKEN — a five-track dark electronic EP arriving 21 August 2026, built around warehouse pressure, minimal spoken vocals and oceanic identities.

## PRE-SAVE THE KRAKEN EP

Promotion and platform upkeep

## INTERNATIONAL PRESS

### BEAT FOR BEAT / BRAZIL

Darth Maul  
"A striking track where cinema, geek culture and dancefloor energy meet."

### EXTRAVAFRENCH / FRANCE

Tronald Dump  
"Kev'Laa takes the absurd seriously just long enough for it to become genuinely funny."
